THE FOUR

God loves us and wants to have a personal relationship with us.

But our sin separates us from God.

Jesus took on the punishment for our sin by dying on the cross and being raised from the grave, making it possible for us to know God personally.

If you believe that Jesus is the Promised Savior and you want to know Him personally, just pray and ask God to forgive you of your sins and give you a relationship with Him.

Would you like to pray now to start a personal relationship with God?
